

POLICE DEPARTMENT MONTHLY REPORT

August 08, 2016

With the mid-year report just being done the end of July there isn't a whole lot to report. Monthly stats are below. Police department activity appears to be steady but communications has seen an increase with activity in July. This is seasonal as summer tourism is in full swing.

The marijuana disposal box is up and functioning at the airport. The box was installed by GCSAPP, along with one in Crested Butte, to give people a way to dispose of excess marijuana before travelling. We are trying to encourage visitors to not leave excess marijuana in their motel rooms, in public areas at the airport or to be tempted to take it on an airplane. Now that the boxes are both in place, we are also working out the details with Crested Butte to destroy marijuana turned in form both location in the burn barrel purchased by GCSAPP and the police department.

Cattlemen's Days saw a lot of people in town but no significant criminal activity. The police department worked with the association and assigned officers to work security for the livestock areas and rodeo grounds after hours. The carnival took up a larger area this year which pushed more parking onto side streets. Traffic was congested but the neighborhoods took it in stride and I'm not aware of any parking concerns.

The police officer position is being advertised with the application deadline set for August 12th.
